WHATS THE BUZZ ALL ABOUT?

"I think I hit a gold mine with Songbirds Music, Art, & Dance Center. I'm loving the quality of artwork that's coming home and the happy stories about good days. Yesterday, my daughter made fairy wings for one of the themed camp weeks, which, if you did not know, is an essential part of an 8 year old's summer imagination toolkit. ;) Today, I saw how much the staff really cares. There is just an abiding sense of happiness, and playfulness here, and I look forward to the rest of summer and her options in the fall!"

"Dragon and Fairy camp this summer was a blast, my kids had so much fun with the variety of arts and crafts, they didn't want the week to end!"

"First day of summer camp and she had a great time. Thank you songbird for all you have done and making this a safe and wonderful camp for her to enjoy. "

"My 6-year-old did Star Wars camp this summer and had a blast. She couldn't stop talking about how much fun she had!"

"Songbirds is our go-to place for all things art! My oldest has participated in almost everything art they have to offer (class, paint parties, summer camp and birthday parties)."

"This was a great program filled with days of preparing for the big final show and art projects. She even got to stay after camp for an extra painting class and enjoy a dance class. Songbirds is owned and operated by younger adults who relate well to the kids and really seem to love what they're doing. This makes for a fantastic and rewarding experience for everyone. I will definitely be sending my daughter there for more of their programs!"
