WHAT ARE OTHER FAMILIES SAYING ABOUT SUMMER CAMPS AT SONGBIRDS?

I think I hit a gold mine with Songbirds Music, Art, & Dance Center. I'm loving the quality of artwork that's coming home and the happy stories about good days. Yesterday, my daughter made fairy wings for one of the themed camp weeks, which, if you did not know, is an essential part of an 8 year old's summer imagination toolkit. ;) Today, I saw how much the staff really cares. There is just an abiding sense of happiness, and playfulness here, and I look forward to the rest of summer and her options in the fall!

My kids loved Messy Art summer camp and they want to return next year!

My daughter attended MAD camp this July and I think we've finally found her 'niche'. This was a great program filled with days of preparing for the big final show and art projects. She even got to stay after camp for an extra painting class and enjoying a dance class. Songbirds is owned and operated by younger adults who relate well to the kids and really seem to love what they're doing. This makes for a fantastic and rewarding experience for everyone. I will definitely be sending my daughter there for more of their programs!

Dragon and Fairy camp this summer was also a blast, my kids had so much fun with the variety of arts and crafts, they didn't want the week to end!

Their Magic and MAD summer camps were awesome. My daughter loved it!
