

2021 SUMMER CAMPS

WELCOME TO CAMP!

Summertime is a great time to deep dive into subjects you love such as acting, creating art, dancing, or even performing magic. Finding a camp that creates these opportunities, while encouraging exploration and developmental growth, can provide an unforgettable summer experience for your kids.

These last 12+ months have been strange to say the least. They have been filled with unexpected turns and twists and unfortunately it left many children feeling isolated, unable to participate in the group activities they so love. We are proud to be a haven for the arts where students can develop their passion, have fun, meet friends, and stay safe.

Our camps include creating your own fairy wings, painting your own clay-sculpted creatures, performing magic tricks, lego wars, building instruments, performing shows, and even meeting a live unicorn!

We have full day camps, half day camps, and extended hour options, so it's easy to choose camps that fit your schedule!

We can't wait to see you this summer!

WHAT ARE OTHER FAMILIES SAYING ABOUT SUMMER CAMPS AT SONGBIRDS?

I think I hit a gold mine with Songbirds Music, Art, & Dance Center. I'm loving the quality of artwork that's coming home and the happy stories about good days. Yesterday, my daughter made fairy wings for one of the themed camp weeks, which, if you did not know, is an essential part of an 8 year old's summer imagination toolkit. :) Today, I saw how much the staff really cares. There is just an abiding sense of happiness, and playfulness here, and I look forward to the rest of summer and her options in the fall!

My kids loved Messy Art summer camp and they want to return next year!

My daughter attended MAD camp this July and I think we've finally found her 'niche'. This was a great program filled with days of preparing for the big final show and art projects. She even got to stay after camp for an extra painting class and enjoying a dance class.

Songbirds is owned and operated by younger adults who relate well to the kids and really seem to love what they're doing. This makes for a fantastic and rewarding experience for everyone. I will definitely be sending my daughter there for more of their programs!

Dragon and Fairy camp this summer was also a blast, my kids had so much fun with the variety of arts and crafts, they didn't want the week to end!

Their Magic and MAD summer camps were awesome. My daughter loved it!
